1. Only adults are allowed to complete the entire installation process.
   During the entire installation,
   children and pets must stay away from the assembly area to prevent the boards and hardware from causing injuries.
2. There are hand-clamping and squeezing gaps on the lifting table.
   When children use it,
   they must be closely watched by an adult throughout the process.
   It is prohibited for children to crawl under the table or play beside the lifting side panel.Do not frequently raise and lower it for play.
3. Regularly check all connecting screws. If the screws are loose, they must be tightened immediately.
   If the tabletop automatically sinks, stop using it immediately and contact the after-sales service.
   Do not continue to use it.
4. Do not use this product as a ladder, support platform, or storage rack for non-designated purposes.
   Do not stack multiple heavy objects on top of each other.
5. It can only be used on a dry and flat indoor surface. Do not place it in outdoor areas, damp bathrooms, or areas with standing water. Moisture can corrode the internal metal parts of the air rod.
6. Place the items on the desktop evenly, with the center of gravity centered.
   Avoid long-term single-sided loading which may cause the table frame to tilt or the self-locking mechanism to fail.
